NOTICE OF LIEN	

COMES NOW David Merrill of the VAN PELT family AM I.

But those triggers which used to move my mind to a certain Altar no longer bind me.

Whereas: The remedy is codified at Title 12 USC §411 from §16 of the Federal Reserve Act (1913):

They shall be redeemed in lawful money on demand...

Note: There is a lien held by CASTLE CHURCH - For the Redemption of the Office BISHOP against all assets and properties remaining in the mental domain of debt, worldwide. The true bill at Doc 6; Page 9 of 84 demonstrates the effectiveness of natural law expounded at Proverbs 11:1 -

Pro 11:1 A false balance is abomination to the LORD: but a just weight is his delight.

Forgiveness of the Stranger/Foreigner is integrated into this Seventieth Jubilee since the invasion of Canaan; and upon the second Release Cycle (Deuteronomy 15:1) since the Bill attached perfected this lien on September 11, 2001 (Thirty (30) Day Judgment as Past Due Notice) integrating that the Trading

with the Enemy Act is and has always been illegal as applied to central banking - now "omitted" from the publications (Title 12 USC §95a) as such. FDR speaking of the days just prior to and around inauguration:

*I told the President, however, that I believed that he has such authority under the Trading with the Enemy Act, I understood it to be the belief of the President that while some of his advisers had told him that he could do this, **others had told him that it would not be legal.** I had already asked Senator Thomas J. Walsh, who was to have become my Attorney General, to give me a report on such Presidential authority. **As Senator Walsh had died suddenly, however, on March 2d, I had asked Mr. Homer S. Cummings to become Attorney General and had requested him for an opinion.** On the evening of March 4th, I received the verbal opinion of the new Attorney General on which I based the Presidential Proclamation signed during the night of March 5th-6th, closing all banks. [Bold added to describe murder and coercion upon threat thereof.] Public Addresses and Papers of FDR 1933 - Pages 870-871*

Therefore and In Summary: It is noted that the Bill original (Certificate of Mailing Doc 6; Page 10 of 84) was served on Richard GRASSO, then Chairman of the NYSE and that the NYSE was shut down for three days. Provisions have been made in the Amendments to the Bretton Woods Agreements (1976, P.L. 94-564) as found on Page 4 of Senate Report 94-1148, since earmarked that international gold shall be \$42.22/fine troy ounce when gold is re-introduced into the System. US Reserve Assets as of June 2016, Footnote 1:

Gold held "under earmark" at Federal Reserve Banks for foreign and international accounts is not included in the gold stock of the United States; see table 3.13, line 3. Gold stock is valued at \$42.22 per fine troy ounce.

Therefore also included, fully integrated is the code Title 22 USC §§286 and 286n, leading the way for the formation of the world central banking empire named on the face of the Bill of Exchange.

The President is hereby authorized to accept membership for the United States in the International Monetary Fund (hereinafter referred to as the "Fund"), and in the International Bank for Reconstruction and Development (hereinafter referred to as the "Bank"), provided for by the Articles of Agreement of the Fund and the Articles of Agreement of the Bank as set forth in the Final Act of the United Nations Monetary and Financial Conference dated July 22, 1944, and deposited in the archives of the Department of State.

The President is hereby authorized (a) to accept the amendment to the articles of agreement of the International Monetary Fund (hereinafter referred to as the "Fund"), attached to the April 1968 report by the Executive Directors to the Board of Governors of the Fund, for the purpose

of (i) establishing a facility based on Special Drawing Rights in the Fund and (ii) giving effect to certain modifications in the present rules and practices of the Fund. and (b) to participate in the special drawing account established by the amendment.

This Information is complimented by the recent US Asset Report from the Federal Reserve. Special Drawing Rights (SDR's) as the measure of a society's conditioning to endorse private credit of the local central bank are emphasized to be the factor enslaving people through naked contract - ignorant endorsement of paychecks.

I should not refrain from comment about the US Court of Federal Claims, and the response from the US Department of Justice regarding recusal and default of Mr. Victor J. WOLSKI, docket report attached. Mr. Robert J. BRYAN defaults on the opportunity to redeem his official authority as no intention of correcting his oath of office, Doc 6; Page 4 of 84, is discerned in the ORDER attached and Refused for Cause timely. There is no authority in BRYAN's office, his creation *Inn of Court*, or even that he has moved this cause from Olympia (Mount Olympus), where I prefer to Notify from as Paul spent the last five years of his life fabricating Roman Protective Custody (welfare state), to Tacoma. (Items derived from Mr. BRYAN's online biography.) Robert J. BRYAN as shown by his oath of office is exemplary of the craven nature of collusion in this criminal syndicalism, herein exposed. As this lien and the default develop, it is clearer to me why traditional bonding practices are obscured. The motivation of the intentional misnomer "David L. Merrill" as in a bankruptcy attorney working from Trump Plaza Office Center in West Palm Beach, Florida, may never become clear.

Of course I had no idea which "judge" would be assigned this cause at the time of filing. It may be with respect for natural law and the law of nations that there are quite literally no *judges* in authority, as the criminal syndicalism now exposed is at its foundation felony witness tampering - the Witness being God. I recall on this journey, when finding three "district judges" with proper oaths in Fort Collins, that even then, I had to "fudge it" with their chief judge signatures witnessing. Just the same, I never had any intention that there might be any authority found within "this Court", quoting Mr. BRYAN. - Which is in complete agreement with BRYAN saying there is no jurisdiction. What is on the public record is that the US Court of Federal Claims, Supreme Court and Court of International Trade and now Washington state USDC all have cognizance that the US Attorney General, and the sundry of Colorado state offices and officials too, including the now Mayor of Colorado Springs John William SUTHERS, who was in violation of oath bonding practices way back in the '90's - that the US Attorney General must now evaluate the felony abounding in American society and politics; especially the houses of justice - *judiciary*. And that the Pope and Her Majesty (subject to the City of London) will be honoring Unum Sanctum and Motu Proprio, but not limited to any and all legitimate prosbul. This is final offer for Redemption of the Office BISHOP (of Rome) prior to SHEMITAH (Jubilee).

It is also appropriate to mention that herein at Doc 6; Page 29 of 84 exposes the motivation of greed behind this criminal syndicalism, and the motivation to keep the machinations of law behind this Jubilee secret from the people. This warrant, 03-RB-403; Filed in Colorado USDC March 7, 2003 was the misuse

of admiralty rules in central banking to steal millions of dollars from various trust accounts in a disgraceful display of greedy larceny and money laundering, by and through the STATE OF COLORADO CAPITAL FINANCE CORPORATION against which is the unsettled lien for \$20,000,000.00 awaiting execution of comptroller warrant at the US Treasury, Doc 6; Page 33 of 84. Especially since this Sealed Warrant is regurgitated on to the Record in the same USDC Colorado court, and in two case files at that, we have an indictment that is exceptionally difficult to continue to ignore.

CASTLE CHURCH - For the Redemption of the Office BISHOP holds a lien on all property, land and assets worldwide as expressed under the True Bill of August 13, 2001 that perfected Thirty-Day Judgment on September 11, 2001.

2. Special drawing rights (SDRs) are valued according to a technique adopted by the International Monetary Fund (IMF) in July 1974. Values are based on a weighted average of exchange rates for the currencies of member countries. From July 1974 through December 1980, sixteen currencies were used, since January 1981, five currencies have been used. U.S. SDR holdings and reserve positions in the IMF have also been valued on this basis since July 1974. [Return to table](#)

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT TACOMA

DAVID MERRILL of the VAN PELT
family,

CASE NO. 3:16-cv-05520-RJB

ORDER

Plaintiff,

v.

THE UNITED STATES OF AMERICA

Defendant.

THIS ORDER follows the Court's *sua sponte* Order to Show Cause (Dkt. 5), where the Court directed Plaintiff to inform the Court of the jurisdictional basis for his claim. The Court has carefully reviewed the record in its entirety.

It appears that Plaintiff responded to the Court's Order by filing a document entitled, "CLARIFICATION OF CAUSE [-] Warrants issued[.]" Dkt. 9. Plaintiff's thirty-five page compilation includes copies of the following: an Oath of Office form signed by the Honorable Gilbert Martinez, United States District Court Judge for the District of Colorado, orders pertaining to a Colorado state court case, a Warrant for Arrest issued by Plaintiff that orders

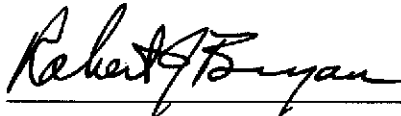

1 named defendants into custody in Littleton, Colorado, an affidavit from the Washington
2 Department of Licensing stating that they have no public licensing records pertaining to Thomas
3 W. Hardy, and the Court's Order to Show Cause. However, none of these documents address the
4 jurisdictional basis for Plaintiff's claim. Plaintiff's filing entitled, "DELEGATION OF
5 AUTHORITY [-] Warrants," Dkt. 6, likewise offers no jurisdictional basis for Plaintiff's claim
6 to proceed before this court. From Plaintiff's initial filings, it appears that Plaintiff may be
7 attempting to pursue a criminal prosecution himself, but as explained in the Court's Order to
8 Show Cause, "Under the authority of Art. II, s 2, Congress has vested in the Attorney General the
9 power to conduct the criminal litigation of the United States Government," *United States v.*
10 *Nixon*, 418 U.S. 683, 694 (1974), so a citizen may not bring criminal charges against another by
11 filing a complaint in this court. See *Aldabe v. Aldabe*, 616 F.2d 1092, 1092 (9th Cir. 1980).

12 Plaintiff's claims should be dismissed for lack of jurisdiction. *Baker v. Carr*, 369 U.S.
13 186, 198 (1962); *Righthaven LLC v. Hoehn*, 756 F.2d 1166, 1172 (9th Cir.2013).

14 Therefore, it is **HEREBY ORDERED** that this case is **DISMISSED**.

15 The Clerk is directed to send uncertified copies of this Order to all counsel of record and
16 to any party appearing *pro se* at said party's last known address.

17 Dated this 18th day of July, 2016.
